

Terms and Conditions for Use of Cisco Networking Academy Websites and Services

1. **Background.** The sites NetAcad.com and SkillsForAll.com are websites ("Websites") within the Cisco Networking Academy Program ("Program"). Cisco operates and provides access to a range of Program related websites and microsities accessible to users (including students, nonstudents and alumni) who have a Cisco Username and Passwords. Websites contain content relevant to the Program and are also designed to enable social networking and collaboration ("Services") among users. The Services enable a user to create personal profiles (each, a "Profile") that can be searched and viewed by other users. The Services also support discussion forums, chat, electronic messaging, survey tools, blogs, wikis or other collaborative tools that Cisco elects to make available in its discretion. Cisco may modify, enhance, restrict or terminate Websites and Services in its discretion at any time and without notice.

The Program operates in accordance with global privacy laws, including laws that impact children's privacy. Registration or use of the Program is not intended for children. For the purposes of the Program, we consider an individual to be a child if the applicable law limits the processing of an individual's personal data because the individual is under a certain age (for example, individuals under 13 years of age are children in the US). If we discover that we have processed a child's personal data or that you have created an account that violates applicable privacy laws or this Agreement, we will terminate your account and promptly delete your personal data. The foregoing restrictions do not apply if an Academy authorized by Cisco to use our teaching materials and resources, has created an account for the individual in the Program. In such cases, the Academy is responsible for obtaining the appropriate consent(s) from the parent or guardian for collection, use and/or disclosure of the personal data in accordance with the applicable privacy laws.

Further, you may only enter into this Agreement if you are capable of forming a binding contract with Cisco, and only in compliance with this Agreement and all applicable laws.

2. **This Agreement; amending this Agreement.** This Agreement is made up of the Terms and Conditions set out below, which are specific to the Program Websites and Services, and the general Cisco Terms and Conditions located here: http://www.cisco.com/web/siteassets/legal/terms_condition.html. If there is a conflict between the two, then the Terms and Conditions set out below take precedence, solely to the extent of that inconsistency. This Agreement covers all of your visits to the Websites and any use of the Services. If you stop visiting the Websites or stop using the Services, this Agreement remains in effect with respect to your previous visits to the Websites and use of the Services.
 - a. **Amendments/Other Terms.** Cisco may change or supplement the terms of this Agreement from time to time at its sole discretion. Cisco will exercise commercially reasonable efforts to provide notice to you of any material changes to the Agreement (e.g., by posting on the Websites). Within five (5) business days of posting changes to the Agreement, the changes will be binding upon you. If you do not agree with the changes, you should discontinue using the Websites or any Services. If you continue using the Websites or Services after such five-business-day period, you will have accepted the changes to the terms of this Agreement. In order to participate in certain Services, you may be notified that you are required to download software and/or agree to additional terms and conditions. Unless expressly set forth in such additional terms and conditions, those additional terms are hereby incorporated into this Agreement.

3. **Rules and Regulations.** This Agreement sets forth the following legally binding Rules and Regulations for the Websites and the Services.

This prohibition includes but is not limited to a) using invitations to send messages to people who don't know you or who are unlikely to recognize you as a known contact; b) using the Services to connect to people who don't know you and then sending unsolicited promotional messages to those direct connections without their permission; and c) sending messages to distribution lists, newsgroup aliases, or group aliases for purposes of spamming or solicitation.

If you become aware of misuse of the Websites or Services by any person, please contact netacadsupport@netacad.com. Cisco may investigate any complaints and violations that come to our attention and may take any action that we believe is appropriate, including, but not limited to issuing warnings, removing the content or terminating accounts and/or Profiles. However, because situations and interpretations vary, we also reserve the right not to take any action. Under no circumstances will Cisco be liable in any way for any data or other content on the Websites, including, but not limited to, any errors or omissions in any such data or content, or any loss or damage of any kind incurred as a result of the use of, access to, or denial of access to any data or content on the Websites. If at any time you are not happy with the Websites or the Services or object to any material on the Websites, your sole remedy is to cease using the Websites or the Services.

- b. **Laws and Reporting.** You may not use the Websites or Services in any manner inconsistent with applicable law or for any illegal purpose, including but not limited to conspiring to violate laws or regulations. Use of the Services is void where prohibited.

- c. **Username and Password.** During the registration process, you will be asked to select a username. Each user is required to have a unique username and password. You may not select as your username the name of another person to the extent that could cause deception or confusion; a name which violates any trademark right, copyright, or other proprietary right; or a name which Cisco deems in its discretion to be vulgar or otherwise offensive. Cisco reserves the right to delete or change any username for any reason or for no reason. You are fully responsible for all activities conducted through or under your username. You are entirely responsible for maintaining the confidentiality of your password. You agree not to use the username or password of another user at any time or to disclose your password to any third party. If you believe your password has been compromised, please change your password immediately. You are solely responsible for any and all use of your login information (username and password).
 - d. **Transfers/Competitive Use.** You may not trade, sell or otherwise transfer your account to any other person without Cisco's written consent. You may not use the Websites or the Services to advertise, promote, endorse or market, directly or indirectly, any products, services, solutions or other technologies that, in Cisco's sole and absolute discretion, compete with the products, services, solutions or technologies of Cisco.
4. **Monitoring.** Nothing in this Agreement requires Cisco to monitor or edit the Websites. If at any time Cisco chooses, in its sole discretion, to monitor or edit the Websites, Cisco assumes no responsibility for anything submitted by users, no obligation to modify or remove any inappropriate submissions and no responsibility for the conduct of any user, except as required under applicable law. Cisco does not endorse and has no control over what users post or submit to the Websites. Cisco cannot guarantee the accuracy of any information submitted by any user of the Websites, nor any identity information about any user. Cisco reserves the right, in its sole discretion, to reject, refuse to post or remove any Profile, posting or other data, or to restrict, suspend, or terminate any user's access to all or any part of the Websites or Services at any time, for any or no reason, with or without prior notice, and without liability. Upon any suspension or termination, Cisco may retain or delete, in its sole discretion, any information or content that you previously provided. You agree that Cisco has no liability whatsoever if it refuses to post your submissions or edits, restricts or removes your submissions
